

APPLICANTS' SUMMARY OF TELEPHONIC INTERVIEW WITH THE EXAMINER

The applicants wish to thank the Examiner for speaking with the undersigned on or about September 2, 2010. During this discussion, the Examiner suggested amendments that the applicants could make to address 35 U.S.C. Section 112, paragraph 2 issues raised by the Examiner in a non-final office action mailed by the Office on or about June 11, 2010. The applicants and the Examiner failed to reach agreement on other issues raised in the Action. The Examiner agreed to consider new arguments in support of patentability if the applicants choose to include them in a written response to the Action.

The Office issued an Interview Summary bearing a mailing date of September 3, 2010, of the conversation between the undersigned and the Examiner conducted via telephone on or about September 2, 2010.
